Regulation

Proposed New Rule to N.J.A.C. 13:27-4.4; 13:27-8.5A and 13:27-9.6, which requires professional boards to provide credits toward requirements for licensure for veterans with substantially equivalent training. On October 10<sup>th</sup>, The Board preliminarily reviewed this regulation and determined to form a committee (Messrs. Joshi, Picatagi, Soriano and Zaccone) to review this regulation in anticipation of full board discussion with the Regulatory Analyst at the November meeting. On November 14<sup>th</sup>, inasmuch as a sub-committee has been established to review the proposed regulation, a conference call will be scheduled to discuss the regulation. The Board unanimously voted to table this item until the next meeting. On January 9<sup>th</sup>, the Board requested that Executive Director Kirk inquire with NCARB for clarification as to how they are handling the evaluation of experience for military veterans in other states, if applicable. Also clarify how they will handle this with New Jersey military veterans if this matter has not arisen in other states. Once this information is received a conference call with the sub-committee will be scheduled.

3/13/14      Revised proposed regulation from Elizabeth Greenblatt, Regulatory Analyst, is attached for Board review and discussion.
